## OTR Spray-on Full Protective Coating Off The Road Protection

Spray-on protective coating increases strength in high stress areas.

## RIVAL™ LED Interior Lighting Options Turn the Lights On

- Wired into truck's existing electrical system
- Far brighter than incandescent
- Rated for 100,000 hours vs. 25,000 hours for incandescent
- Uses less energy and creates less heat than incandescent
- Optional Prop Switch turns your lights on/off when you open/close your door

4' Center Rope Light - fiberglass truck cap without fabric interior liner.

4' Center Rope Light - fiberglass truck cap with fabric interior liner.

Double the effect with two 4 Foot Rival™ LED rope lights!

Side Window Rope Lights are automatically activated when the door opens!

New - Toolbox Rope Lighting option. The light turns on/off when the door opens/closes.

## BLUE BOOK VALUE

Do truck caps raise the resale value of trucks?  
**YES THEY DO!**

Here are numbers we crunched on the Kelley Blue Book website:

A two-year-old full-size truck, 25,000 miles, excellent condition:

Without Cap	With Cap
\$15,505 private party	\$15,910 private party
\$13,725 trade-in	\$14,025 trade-in

So in this case, a truck cap added about \$265-\$305 value to the resale!

## FUEL ECONOMY

Do truck caps affect the fuel economy of trucks?\*

If the cost of gas was \$3.75 per gallon... and if your truck averaged 15 MPG... and if monthly you drove 1,200 miles.

**A 10% gas mileage savings would yield the following:**

Your estimated gas mileage increase will be 1.50 MPG, making your new estimated fuel economy 16.50 MPG.	Your estimated dollar savings are:	
	Monthly.....\$ 27.27	5 Years.....\$ 1,636.20
	Annually.....\$ 327.24	10 Years.....\$ 3,272.40
	3 Years.....\$ 981.72	

\*Information is based on a study conducted by Western New England College of Mechanical Engineering.

## OUR PROMISE TO YOU

A.R.E. warrants to the original purchaser that all fiberglass caps will be structurally free from defects in material and workmanship for as long as you own it. The painted finish of your fiberglass cap is covered under warranty against defects in workmanship and abnormal fading for as long as you own the product.

See your A.R.E. dealer for the complete warranty statement.
