
For 50 years we have been covering truck beds with the most innovative, highest quality caps and covers built in the heartland of America: Northeast Ohio. We know you love your truck, which is why our passion is to manufacture the perfect companion for your truck, backed by the industry’s best support and warranty. Take a look around, we believe you’ll see exactly what you need to outfit your truck for life.
WHY BUY A.R.E.?

UNMATCHED SERVICE: Industry leading support from over 700 dealers & partners throughout the US and Canada.

BUY WITH CONFIDENCE: Limited lifetime warranty on all fiberglass caps and covers.

MADE IN THE USA: Every order is custom built right here in the US.

INNOVATION LEADERS: Our focus is to live outside the industry norm – designing and developing the most advanced products.

ISO CERTIFIED: We are the first and only ISO certified truck cap and cover manufacturer in the US.
Our CX REVO & EVOLVE GENERATIONS flip the script on what you thought you knew about truck caps. With the industry’s first tailgate formed rear door (patent pending), urethane side window technology, ActiveTilt™ LED light activation and OneMotion™ intuitive rear door handle, these new generations are the premier choice for today’s trucks.
