
For 50 years we have been covering truck beds with the most innovative, highest quality caps and covers built in the heartland of America: Northeast Ohio. We know you love your truck, which is why our passion is to manufacture the perfect companion for your truck, backed by the industry's best support and warranty. Take a look around, we believe you'll see exactly what you need to outfit your truck for life.
WHY BUY A.R.E.?

UNMATCHED SERVICE: Industry leading support from over 700 dealers & partners throughout the US and Canada.

BUY WITH CONFIDENCE: Limited lifetime warranty on all fiberglass caps and covers.

MADE IN THE USA: Every order is custom built right here in the US.

INNOVATION LEADERS: Our focus is to live outside the industry norm — designing and developing the most advanced products.

ISO CERTIFIED: We are the first and only ISO certified truck cap and cover manufacturer in the US.
**Our CX REVO & EVOLVE GENERATIONS** flip the script on what you thought you knew about truck caps. With the industry’s first tailgate formed rear door (patent pending), urethane side window technology, ActiveTilt™ LED light activation and OneMotion™ intuitive rear door handle, these new generations are the premier choice for today’s trucks.

A.R.E. warrants to you, the original retail purchaser of an A.R.E. brand fiberglass truck cap or tonneau, that the body will not develop any leak defects in material and workmanship for as long as you own the product and has not been serviced by an authorized A.R.E. retail dealer. The body includes the complete shell, except for mounting rails only. A.R.E. warrants to you, the original purchaser, for as long as you own your cap that the exterior paint will not abnormally fade or peel due to material or workmanship defect other than the original package it was installed with at an authorized A.R.E. retail dealer. For your specific warranty, please refer to the warranty document you received at the time of purchase.

Visit www.4are.com to learn more as well as see additional photos and videos on our products. You are also able to build your custom A.R.E. product with our Build Your Own feature - which takes you step-by-step through creating the perfect product for your needs.
